I just got off the phone with the Resource Coordinator at the Command Post here. Apparently Craig Myers demobilized yesterday back to Denver. My guess is you can probably still get him on his cell at [Personal Phone/Ex. 6] to possibly conduct a telephonic interview.

## Personal Matters/Ex. 6

I believe you have an 11am with Dan Wall. Hopefully that is still a go.

Please try reaching out to Craig Myers again to see if he is available today for an interview. Not sure why he is not responding.

## **Deliberative Process/Ex. 5**

Try reaching out to Butch Nolton at the La Plata County Emergency Management (LPCEM) at (970) 382-6210. Looking for an interview of him with regard as to who contacted him (or the LPCEM) on August 5<sup>th</sup>, who did he contact, what procedures are in place for notification during a spill like that at the GKM, etc.

Let me know what success(es) you have.

Thanks.
